

BIOEAST Forestry Working Group within BIOEAST initiative

Tomáš Bucha, Ingrid Kriššáková, Milan Oravec

Workshop „Bio-hubs as keys to successful biomass supply integration for
bioenergy within the bioeconomy“

Sopron, Hungary, October 10th, 2019

- A shift towards a circular bioeconomy is a challenging driver for the forest-based sector in the Central and Eastern European (CEE) macro-region.
- BFWG aims to emphasise the importance and support wider participation of FBS entities from CEE countries in the European programmes, including Horizon Europe.

Overview of the activities and milestones:

- ❑ **BFWG Kick-off meeting, BFWG ToR, nomination procedures**
(Brussels, October 2nd, 2018)
- ❑ **BFWG presentation during BIOEAST conference „Bioeconomy in the forefront of national policies** *(Budapest, November 8, 2018)*
- ❑ **Interlinks to FTP** (Brasov conference, 3-5th June 2019), **SCAR** (participation to workshops on "Transnational cooperation in research and innovation for the future European forest-based sector" and **SCAR meeting**, Brussels, February 5, 2019 and 12-13 June 2019), **Forest Europe** (Bratislava, 5th december 2018) **EFI** (Aberdeen, September 18-20, 2019)
- ❑ **BFWG face-to-face meeting** *(Prague, April 5, 2019; Sopron October 9th 2019)*
- ❑ **Contributions to preparation of research and innovation policies (FP9)** – coordinated input into open consultation of Horizon Europe
- ❑ **BFWG Strategic Research and Innovation Agenda**
- ❑ **BFWG interlinks with BIOEAST Bioenergy working group, joint workshop**
